### **Tenzin Gyaltsen Appointed San Bruno Municipal CATV Director**

San Bruno City Manager Connie Jackson has announced the appointment of Tenzin Gyaltsen as the new CATV Director for City of San Bruno. Most recently he served as Group and State Director of Operations for Charter Communications Rocky Mountain Group based out of Colorado. Mr. Gyaltsen was selected for the position following a western regional recruitment for the CATV Director position. The City interviewed five (5) candidates for the position. Mr. Gyaltsen has been working for the City since the beginning of the year after the retirement of previous Director Dave Thomas.

Ms. Jackson stated "Mr. Gyaltsen brings to the City a history of extensive Cable System administrative experience in managing the multi-state operations of systems with over 200,000 subscribers. His experience includes the launch and deployment of services such as digital cable and high speed Internet service. We are pleased to have someone with Tenzin's cable operations management background join our customer focused department"

Prior to his employment with Charter Communications, Gyalsten started his career in the cable business with Fanch Communications in the Rocky Mountain region as Area Director and Regional Business Manager for the National Division. He has also served on the Boards of the Colorado Cable Television Association and the Tibetan Association of Colorado.

Gyaltsen is a graduate of Metropolitan State University in Denver with a Bachelors Degree in Accounting and a Masters Degree in Business Administration from the University of Colorado – Denver. He is a U.S. citizen who was originally born in India and is multi-lingual, speaking English, Tibetan and Hindi.

Mr. Gyaltsen explained that "he is looking forward to the unique opportunity to manage one of the country's top municipal cable operations and wants to continue the strong customer service focus and quality of operations he has observed."
